

# THE GIVE BACK EXCHANGE FUND

**\$1 Million Worth of Grants Available**

Student Exchange Australia New Zealand and Southern Cross Cultural Exchange have collaborated to set up the Give Back Exchange Fund, worth \$1 million. This fund has been created with a desire to give back to the community and provide more opportunities for high school students to experience both sides of the exchange program, from living life abroad to welcoming an overseas student into their home.

*Schools can present one or more of these grants within their local community as their own School's exchange grant.*

**Schools can nominate up to 5  
students to apply for a grant!**

For further information and to download nomination forms, please visit:
