Pick your preferred location in the USA

August Departures only

2023 Application Deadline: January 31, 2023

Students applying for the USA have the option to pick the location they would like to live in during their exchange. Students can select up to 3 locations.

Students will need to complete a separate form if they'd like to select their location/s. This form is then sent with their completed application form to our overseas partner. If applicants are successfully placed in one of their preferred locations, then an additional location fee will be applied to the normal program price.

Location selection options are subject to availability and are not guaranteed. You can view the Location Options and fees below. All Guarantees are on a first come first serve basis. Once all spots are filled, we will not accept any additional guarantee requests.
