

# Location Options

## Pick your preferred region in France

Students applying for France have the option to pick the region they would like to live in during their exchange. Students can select up to 3 regions.

If applicants are successfully placed in one of their preferred regions, then an additional location fee will be applied to the normal program price.

Location selection options are subject to availability and are not guaranteed. You can view the Location Options and applicable fees below. All Guarantees are on a first come first serve basis. Once all spots are filled we will not accept any additional guarantee requests.
